

Old Southern Log Cabin Paper Pieced

Front Cabin Wall Section:

Sew together Section A (see diagram)

Sew together 4 individual unit B sections

Sew together 2 units of the completed Sections B units together side-by-side,

Sew Section A to the first 2 Unit B sections

Sew two more section B's to the Section A/B Section

You should have a completed front Cabin Wall section

Roof Section:

Sew together Section C (roof trusses)

Sew Section D together (sky & chimney 1)

Sew completed Section D to the top right of section C

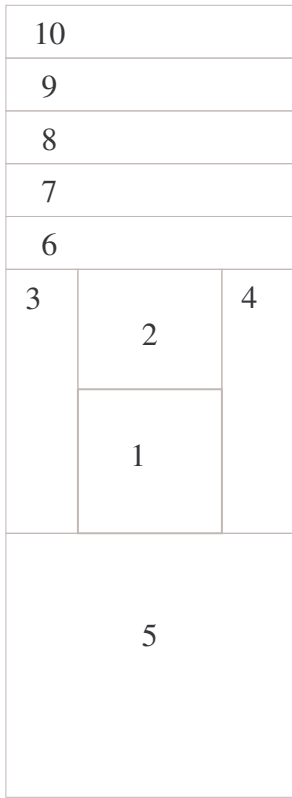

Sew Section E together (sky & chimney 2)

Sew Section E to the top of the completed Section C/D

Sew Section F to the Left top of the Section C/D/E

You now have a completed roof section.

Sew the Front Cabin Wall section to the Roof sections and square up

Section A

Sections B units
 Make 4 individual units
 Sew 2 of each unit B together then add A then add 2 more B units
